25X1

Dear Neil:

This will acknowledge receipt of your letter of August 31, 1970, by which you submitted your resignation as an investigator with the Committee on Internal Security. Your resignation is hereby accepted to be effective November 30, 1970.

I regret to learn that your physical condition is such that it will prevent you from continuing in your present capacity. I am most appreciative for the fine contribution you made to the work of the staff and for the excellent manner in which you discharged your investigative responsibilities during your many years of service to the Congress. Your dedication to advancing the best interests of the United States, particularly in the field of internal security, has been highly commendable. Your extensive experience with, and knowledge of, subversive activity has been of great assistance in accomplishing Committee objectives.

I thank you for your kind remarks concerning the Committee and extend to you my very best wishes for improved health and continued happiness in the future.

Yours sincerely,

Richard H. Ichord
Chairman
